**WA TENANCY
CONFERENCE 2021**
18-19 NOVEMBER
BENDAT COMMUNITY CENTRE, WEMBLEY

Welcome

to the WA Tenancy Conference 2021.

Circle Green Community Legal, in partnership with Evolve Events and Training are delighted that you are joining us for this special event.

With the support of **Lotterywest**, we are proud to deliver the 2021 WA Tenancy Conference.

This year the theme for the conference is **Reflecting and Reimagining**.

The purpose of the conference is to offer a space for education, collaboration and information sharing for the housing and community sectors, along with the government and wider community. We hope that the conference leaves you feeling inspired, with new ideas, new networks and new hope.

The WA Tenancy Conference is a project of Circle Green Community Legal.

Circle Green Community Legal is an independent, not-for-profit community legal centre that provides specialist legal services in employment, residential tenancy law, family and domestic violence, and humanitarian services aimed at assisting people who are otherwise disadvantaged in their access to legal services.

Circle Green Community Legal was formed by a merger of three established and reputable specialist community legal centres in Western Australia; the Employment Law Centre of WA, The Humanitarian Group, and Tenancy WA on 1 October 2020.

Circle Green provides free or low cost, quality legal services to residential tenants across WA. We work with and on behalf of tenants, community members, community services, and governments to improve the capability of residential tenants to maintain successful tenancies and resolve their tenancy issues.

Evolve is a local business, specialising in professional development training and conference management. Evolve is partnering with Circle Green Community Legal to manage conference operations and coordinate the project.

Top tips for a great event:

Name tags must be worn visibly at all times for security reasons. People without one may be asked to leave the premises.

There will be new name tags available for Day 2 and replacements are available for lost name tags so see the registration desk for assistance.

Everyone is welcome at all sessions, but some have been designed to suit the needs and interests of specific groups such as lawyers, tenants or advocates. Please **read the program in advance** and try to make your session selections early, so you can move promptly between rooms for the start of each session.

If you have specified a **dietary requirement** that is an allergy you can locate your food on a separate table in the food service area labelled with your name. There will be gluten free, vegetarian, dairy free and vegan options provided but not labelled with delegate names.

Toilets are located at the back of the foyer, near the auditorium. If there is a queue, additional toilets are available off the main reception and upstairs.

In the event of an **emergency**, please follow the directions from staff and gather directly across the road at Lake Monger.

The Bendat Community Centre
is a **smoke-free venue**.
